

INTERNATIONAL STUDENT EXCHANGE

A Non-Profit Organization for Tomorrow's Leaders

ISE still has GREAT students from all around the world who still need loving host families to accept them for the upcoming school year. Keep up the hard work and dedication. Here are some helpful reminders as you move through August:

- 1.) Call friends, family, anyone you can think of who'd be interested in hosting and talk about all the positives you know about hosting!
- 2.) Talk to anyone and everyone! You never know who will be interested in hosting!
- 3.) Churches, youth groups, and community events are great places to find possible host families!
- 4.) Advertise throughout your town using ISE's free advertising material on the homepage of the database.

Students still need loving families.....

As we reach the end of the placing season, ISE is looking for a few good representatives to step up and make some placements! If we all work together, ISE will be able to achieve its goal of finding a home for every foreign exchange student on the program. With your help, this will become a reality! Please speak with your regional manager to get started to place some students!

As an extra motivation, **ISE is happy to announce a new contest** - we're going to raffle two new iPads! From 7/29-8/29, every 3 approved placements entitles you to one entry into the drawing.

In other words, if you place 6 students your name appears twice, place 9 students, and your name appears three times, and so on. ISE will be raffling off TWO iPads to the lucky placing representative so get out there and get those placements!

If you would like more information on the promotion or on how to place a student please contact us at
800.766.4656 or emails us at
