Summer Work Travel Walk-in Program Option – Agreement Form

Please read carefully, sign and date where indicated.

I (first name) _____ (last name) _____, the undersigned, understand and agree:

1. The Walk-in option is available solely to program participants who are nationals of the Visa Waiver Program countries. I am a national of _____ (country), which is a current participant in the Visa Waiver Program.
2. The Walk-in option allows me to enter the United States without a pre-arranged job. I further understand that I have 2 (two) weeks after arrival to find suitable employment on my own and submit a signed job offer to CSB, for verification.
3. I do have sufficient financial resources to support myself during the 2-weeks period of search for employment. I must attach a proof of my financial resources, as a part of my application.
4. To find and secure new employment on time, I have carefully read the below leads provided to me by CSB. If I need assistance in securing my employment such as a letter of support/recommendation, I must contact CSB immediately. I have acknowledged the prohibited job placements, as outlined in the program application agreement, #24.

- Walk-in applications: many businesses across the United States accept walk-in applications at anytime. This means that you can fill-in an application for employment by visiting in person the potential employers. Fast-food stores, restaurants, grocery stores, mall stores, hotels, gas stations, etc. are few employment sites that accept in person applications for their basic skills, entry level positions.

Tips: be confident, polite and open minded, smile.

- Websites: in many cases, the available jobs are being posted online. The most popular websites to find the available positions in a specific area are: www.snagajob.com, www.simplyhired.com, www.jobsonline.com, www.jobssearch.com, www.monster.com

Tips: enter your zip code and a key word (for example, the position you are looking for such as server, etc.).

- Apply online: many employers post their available positions on their own websites. For example, if you wish to apply for a fast-food restaurant, you may visit the official website for all available positions in your area.

Tips: apply online, but follow up with a call or by visiting the potential employer in person.

- Newspapers: the classified section of any newspaper is also a source for looking for available employment in your area.

Tips: please use caution and common sense.

5. Participants under the Walk-in option must secure their own housing for the duration of the program and they are responsible for all expenses associated with housing such as, but not limited to, deposit, rent, utilities, furniture, etc. CSB does not arrange or provide housing for the participants.

CSB always recommend that participants arrive in groups of 2-4 to be able to share a hotel or a motel room for the first days after arrival in the United States. Many hotels and motels also offer discounts for extended stay (monthly fee). After arrival, participants can also search for a permanent housing facility by trying one of the below leads.

- Hotels/Motels/Hostels: www.priceline.com, www.extendedstayamerica.com, www.hiayh.org, www.hotels.com
- Various Websites: www.craigslist.com, www.roommates.com, www.housingmaps.com, www.rent.com, www.apartmentsearch.com, www.easyroommate.com
- Media: www.unspl.com, www.onlinenewspapers.com
- Local newsstands
- Local ads in supermarket, stores, etc.
