

## Academic Year Program In Canada

The Academic Year Program in Canada offers students the opportunity to spend time studying and increasing their cultural knowledge in some of the most beautiful places in North America. Canada offers a safe, peaceful and friendly environment boasting and education system that ranks amongst the best in the world.

### SASKATCHEWAN

#### Program Highlights:

- All levels of English accepted
- Students chose the school they wish to attend
- Graduation and CoValidation are both available
- Personalized home stays, academic schedules, and extracurricular activities

### Greater Saskatoon Catholic School District

The Greater Saskatoon Catholic School District has four spectacular High Schools ideally located throughout the city. Saskatoon is the largest city in Saskatchewan and is continuously referred to as one of the best cities in Canada in which to live, specifically noted for its scenic natural beauty as the South Saskatchewan River winds its way through the heart of the city. It maintains a young, safe, and clean reputation. Many of these attributes are due to the fact that it is a university city with a young, vibrant, and entrepreneurial demographic. Saskatoon is located in central Saskatchewan on the South Saskatchewan River. The climate is mild and all four seasons are present throughout the year. The winters are cold and the summers are warm providing both guests and residents with opportunities to experience a taste of each season. Saskatoon has roughly a quarter million people currently residing within its city limits. It is an ideal place for a student that wants to experience the feel of a city while still maintaining a close-knit, community oriented feel.

### Bethlehem Catholic High School

Bethlehem Catholic High School opened in August 2007 and serves students enrolled in grades 9 and 10. It is located in the new Blairmore neighborhood. Bethlehem currently has about 1050 students enrolled. This school integrates faith and learning in a distinctive facility featuring a chapel, two gymnasiums and a theater. Bethlehem is ideally located right next door to the Shaw center which houses an Olympic size swimming pool. Basketball and Volleyball are just a couple of the sports offered. Other activities such as band and drama are offered as well. Each classroom is equipped with a smart board and projector providing each and every student an opportunity to learn in a technologically advanced classroom. Bethlehem Catholic High School is considered to be welcoming and innovative both in design and operation.

## **Holy Cross High School**

Holy Cross is one of the beautiful schools located within the city of Saskatoon. With a population of about 1100 students, it has a wealth of resources available. Holy Cross offers an academic program in both English and French languages. Honors Programs in Math, and English are also offered. The school also offers modified courses in English, Math, Science, and History as well as a Learning Assistance Center that offers assistance to students with learning difficulties. ESL classes are also an option for students with little or no English skills. Holy Cross has intramural and extracurricular programs which enable students to develop their talents and pursue their arts, athletic, and leadership interests. It has an outstanding record in inter-school competitions. Over the years, Holy Cross High School has earned city and provincial championship in badminton, basketball, choral, cross country, curling, debate, football, soccer, stage band, track and field, volleyball, wrestling, and yearbook events. As you can see, Holy Cross High School provides their students with every opportunity to enjoy a successful academic year.

## **St. Joseph High School**

With a population of approximately 1000 students throughout grades 9-12, St. Joseph High School offer a comprehensive program for students including: arts education, business education, career/work education, Christian ethics, computer education, English language arts, fine arts, home economics, industrial arts, languages, mathematics, physical education, sciences and social studies. Students have access to school counselors, social workers, home-school liaison workers and learning assistance personnel. An honors program is offered at this school for students identified as having special abilities and talents in academic areas. Advanced Placement programs are also an option at St. Joseph high school. Courses offered include English literature and composition, studio art and French. Through this program, students may obtain a university credit while still in high school. St. Josephs also offers extensive after-school and lunch-hour programs including intramural and citywide athletics, music, art and drama clubs as well as social groups.

## **Bishop James Mahoney High School:**

Bishop James Mahoney High School offers some great programs for students in grades 9-12. There are currently just over 700 students attending and participating in the academic program at Bishop James Mahoney High School. Students are given the option to take classes in either French or English. Honors courses are also offered and designed for students whose academic achievement and rate of learning is well above average. The Advanced Placement Program offers college level courses and exams for high school students and is offered to students in grade 12. On the other end of the learning spectrum, modified courses are designed to meet the needs of students who are academically challenged in regular courses due to content or the pace of instruction. A wide range of services are available to students at Bishop James Mahoney High School such as chaplaincy, student's services counselors, learning assistance and ESL. Bishop James Mahoney High School is dedicated to taking the extra step and helping each of their students succeed in every aspect of their program.
