In the City of _____, country of _____, on the _____ day of _____ in the year of 20____, I/we, the undersigned parents of _____ my/our son/daughter, and I, the student applicant, agree to the following terms and conditions. The above-named student is applying to participate in a cultural exchange program sponsored by the exchange organization and we give our son/daughter our permission to participate in this program.

1. We understand the program is designed to increase understanding among people of the world and is not to be used for the sole purpose of foreign language training. We have discussed the importance of good behavior with our son/daughter and he/she understands the significance of acting in a manner which will reflect well on our family and our country.
2. We understand and agree that the enrollment of our son/daughter in the exchange program is primarily for the cultural exchange and that **a diploma or graduation is not guaranteed to any student.**
3. Upon receipt of the Student Handbook, we all agree to read and discuss its contents. Should we not understand any part thereof, we will contact our international representative for clarification before the program participant leaves our country. We understand that problems are to be resolved first by discussion between the host family and the program participant, then with the assistance of the exchange organization. The program participant is not to discuss problems of a personal nature with members of the community or school. We understand that the program participant will have responsibilities as a member of the family including attending religious services. Although not required, the exchange organization strongly recommends they do as part of family life.
4. We agree that the program participant will try to adjust, will obey the disciplinary rules of the host family and school, will give respect and obedience to the host family and school officials, and will keep communications open at all times.
5. We understand and agree that the program participant will not take any unprescribed drugs, drink alcoholic beverages, possess false identification, drive any motorized vehicle, or participate in any dangerous sport such as hang gliding, bungee jumping, etc. If the program participant does any of the above, we understand that he/she may be immediately returned home at our family's expense, and we accept full responsibility for any situation arising from his/her involvement with the above.
6. We understand that prolonged or inappropriate use of the internet, including e-mail or chat rooms may result in a first warning and then program termination.
7. We agree that the program participant may not take any action that may change the nature of his/her life, i.e. getting married, changing religions.
8. We understand and agree that the program participant will be subject to all of the laws of the host country. In the case of serious infraction of the rules and requirements governing the conduct of the program participant, or in the case of extreme homesickness, or poor adjustment to the host family or school, the participant may be returned home immediately at the discretion of the exchange organization's Executive Committee and at the expense of our family.
9. We understand that the program participant may not drive any motorized vehicle that requires an operator's license, nor be a passenger in a private plane. A student is allowed to register for school-sponsored driver education classes. If a license is obtained through this program, the license must be immediately given to the exchange organization's local representative. It will be returned to the student on the day of departure for home.
10. We understand that as natural parents we are responsible for providing funds for the necessary day to day expenses for our son/daughter. The suggested amount is approximately \$300.00 a month.
11. We agree that the program participants are not allowed to go home during the program unless under emergency conditions and only with prior approval from the exchange organization's main office. Visits from the natural parents and friends during the program are strongly discouraged and must have prior approval from the main office. Independent travel is not allowed at any time during the program without written approval from the exchange organization.
12. We agree that the program participant is to return home within 5 days after the last day of school.
13. We agree to pay the early return of our son/daughter if it is deemed necessary for medical reasons after consultation between ourselves, program personnel, and the designated medical authorities.
14. We agree to pay for any medical and dental bills not covered by the accident and sickness insurance. We agree to pay for any deductible amount due that the insurance policy might not cover.
15. We agree that the program participant is to possess a return flight ticket from the airport located nearest the host family to the participant's country. This return ticket is to be carried to the foreign country by the participant and is to be kept in safekeeping by the participant until time for the participant to return home.
16. We agree to pay for any and all telephone calls made by the program participant including those calls made which might appear on the host family's telephone bill after the departure of the program participant.
17. We give the exchange organization the right to use the participant's name and photograph for reproduction in any medium for the purposes of publication, advertising, trade, display, or editorial use.
18. We agree to attend meetings that are scheduled to prepare us for the exchange experience.
