Jordan Nagler SCHOLARSHIP

August 12, 2009

International Student Exchange has announced the first recipient of the Jordan Nagler Memorial Scholarship. She is Yoojin Kim from South Korea. The scholarship is awarded to students who are considered to be extremely diligent and successful at their studies and who would not otherwise be able to attend an international exchange program.

Yoojin is 16 years old and comes from Seoul, where she lives with her parents and younger sister. She has been studying English since she was a child and earns very high marks in school. Excellence in school is only one component of her daily life. She is very active in her church, enjoys sports, and loves a new challenge. Yoojin hopes to become a dentist in the future and use her skills to help others.

Yoojin will be living with a family in Michigan while she is here in the United States.

The scholarship is in honor of Jordan Nagler who was the Executive Director of International Student Exchange from 2003 until his passing in October of 2008.

The criteria for this scholarship selection were academic excellence and an excellent work ethic. These traits exemplify the work and life of Jordan Nagler so we are proud to have Yoojin Kim be the first recipient of this award.
