I attended the **mandatory** orientation on _____. I was told and I understood all program conditions and rules, including, but not limited to, the below aspects: _____ Date (month/day/year) _____

As an exchange visitor in the United States, I am a representative of my country and I know that I am expected to conduct myself in a respectable manner, obeying the laws and rules of the United States, my community, my employer and the rules as set down for me by my sponsor. I further understand that any violation any of the guidelines listed below, in my Program Agreement, Job Offer and in the Participant Handbook, could result in a "Termination" of my exchange program. If I am "Terminated", I will be required to return home within 48 (forty-eight) hours. I read the all materials provide to me, the including the entire CSB Program Agreement and CSB Participant Handbook for a full understanding of the program and its rules.

CSB International, Inc. (CSB) – Summer Work Travel Program (SWT)

- CSB International, Inc. (CSB) is a United States Department of State designated sponsor for the Summer Work Travel (SWT) Program and the CSB participant is responsible to report to CSB while enrolled in the program and while in the United States.
- **The SWT Program is a cultural exchange program.** The purpose of the program is to provide foreign college and university students the opportunity to interact with United States citizens, experience United States culture while sharing their own culture with Americans they meet, travel in the U.S. and work in jobs that require minimal training and are seasonal or temporary, in order to earn funds to help defray a portion of the expenses.
- Participants hereby confirm their intention to **participate in all cultural aspects of the SWT Program**. The balance between work and free time, the interaction with American people and participating in activities meant to familiarize them with important features of the United States culture and/or history are essential for the successful completion of the program.
- The Form DS-2019 is not a visa and participants must take the form and other required documents to the United States Consulate in their home country, to apply for the J-1 visa. Participants cannot participate in the program without a valid J-1 visa in their passport. The J-1 visa cannot be extended.

Getting ready for the exchange experience in the United States

- Participants must have a primary job placement secured prior to arrival, with the exception of participants who are nationals of the Visa Waiver Program countries and have applied for the program under the Walk-in option.
- Participants must carefully read the job offer form, understand and meet all qualifications. Participants must follow all the employer guidelines, rules and regulations, as all other full-time employees.
- Participants are eligible to work solely within the program dates specified on the Form DS-2019, not earlier and not later.
- Participants must report directly to their primary site of activity according to the Form DS-2019 start date and respecting the arrival instructions, no later than 3 (three) business days after the start date on the form. **Attention:** Failure to report to the primary site of activity on time or at all will lead to the program being "Terminated" and the participant will be required to return home within 48 (forty-eight) hours.
- Participants are employed at-will, like all American counterparts. The job offer could be revoked prior to or during the program, for reasons not prohibited by law or out of the employer's control such as low business demand, weather, etc. Should the position or conditions of employment be revoked, CSB will assist in finding alternative employment, but CSB makes no guarantee that it will be successful and that it can find a similar job, with similar conditions in a similar location. If deemed appropriate, the program may be "Ended". If the program will be ended, participants can still remain in the United States for additional 30 (thirty) days for travelling purposes, as long as they return home on time for the first day of school.
- Participants must read the housing conditions and prepare accordingly. Most of the pre-arranged jobs include shared housing and the participants should expect the basics. Participants will be required to bring or purchase items necessary for a healthy lifestyle (for example, linens, towels, kitchen utensils and cookware). If participants are placed in a site that provides and/or assists with housing, it is recommended that they use this housing facility for the duration of the program. If participants are placed in a site that does not provide housing, they must carefully read and sign the "NO Housing Form" provided by CSB before accepting the job offer, as they will be required to locate housing on their own and submit a proof of the housing address with at least 15 (fifteen) business days prior to their arrival in the United States.
- **Participants should prepare for their experience based on the Participant Handbook and further research the details of their destination, prepare and pack accordingly, including making arrangements for arriving/departing to/from the United States.**
- Participants must bring a minimum of \$800 to support them once they arrive in the United States. This amount is exclusive of the housing expenses (first month rent and housing deposit) and transportation. It may take up to 3 (three) weeks until the first paycheck will be issued.
- **Participants must bring CSB emergency contact information (1-877-669-0717), along with the Department of State help line (1-866-283-9090), and keep them in a safe place**
- **Participants must bring all the insurance information (card, brochure and website information) and keep it in a safe place.**

Arrival in the United States

- The I-94 is the record of arrival/departure into/out of the United States. Participants should retrieve a copy of the I-94 electronic record from www.cbp.gov/I94
- **Check-in on CSB website after arrival.** In order to work and travel legally in the United States, participants must Check-in with CSB within 10 (ten) business days of their arrival in the United States via www.csb-usa.com, confirming the housing address as well as the fact that they arrived at the primary place of employment. If they do not have Internet access, participants must call CSB at 1-877-669-0717 (toll-free). This is an extremely important step to remain in valid status and in the process of applying for the Social Security Number. **Attention:** Failure to Check-in within 10 (ten) days from arrival will lead to the program being "Terminated" and participants will be required to return home within 48 (forty-eight) hours. Such action may create legal difficulties that will affect any future travel, study or work in the United States at any time in the future.
- After 3-5 business days from the date of the Check-in with CSB, participants must apply for a Social Security Number (SSN) at the nearest Social Security Administration (SSA) office. The nearest SSA office can be located by calling 1-800-772-1213 (Toll-free) or by visiting the SSA website at www.ssa.gov

Daily life in the United States

- Participants should have both realistic and practical expectations in order to ensure the best experience and return home with many memories. Communication is always the key of a positive experience. Participants should always ask CSB if in doubt – never assume the correct answer.
- Problems must be solved by first asking the direct supervisor for help. The supervisor is a person that is prepared to handle the issues that might occur and knows different procedures in order to solve problematic situations. If the problem continues, participants must contact CSB immediately for assistance.
- **CSB Support Team information – Email: support@csb-usa.com / Telephone Number: 1-877-669-0717 (dial 0 for the operator).**
- Participants must respect the property of others, the work site and the housing facility. Destruction and/or theft of property will be grounds for eviction and/or disciplinary sanctions.
- Participants must observe and obey all United States federal, state and local laws. **Attention:** If participants break the law, they will be "Terminated" from the program and they will be required to return home within 48 (forty-eight) hours.
- Participants must respect all CSB and the United States Department of State Program rules, in regards with employment and program participation, including the rules of conduct required by the employer. **Attention:** If the participants breach the program rules, they will be "Terminated" from the program and they will be required to return home within 48 (forty-eight) hours.
- Consumption of alcoholic beverages is prohibited by anyone under the age of 21. The possession or use of illegal drugs is prohibited.
