River East Transcona School District:

River East Transcona School Division is located in Winnipeg, a multicultural and vibrant city located in southern Manitoba. Winnipeg is also the capital of Manitoba and has a population of over 685,000 which makes up more than sixty percent of Manitoba's population. It is the business and cultural center of the province and the oldest city in western Canada. The city offers a variety of rich and diverse cultural events. Some of those include sports, entertainment and festivals. Winnipeg is surrounded by many historical towns offering students a wealth of history to learn about and enjoy. The River East Transcona School Division has many schools available to its International students. However, there are a few select schools that we recommend for our International Students.

River East Collegiate

River East Collegiate was built in 1960 and is a secondary school in the River East Transcona School Division that offers classes for students in Grade 10 through Grade 12. River East Collegiate is located in an urban area serving the community of North Kildonan, East St. Paul and St. Clements. This school is known for its strong academic and athletic programs. River East was the first Advanced Placement School in Manitoba and also boasts the first and only Software Technology Diploma program in Manitoba. International Students also have ESL class and additional support available to them. The student body and community are highly involved in all aspects of the school supporting a strong academic focus and an extensive extracurricular program offering a wide range of Art, Drama, Music and Athletics programs available. The average annual enrollment is about 1200 students. River East Collegiate staff consists of 68 teachers, 3 administrators, and 24 support staff.

Kildonan East Collegiate

Kildonan East Collegiate is a secondary school in the River East Transcona School Division that offers classes for students in grade 10 through Grade 12. Kildonan East provides a wide range of academic and technical programs that emphasize development of individual potential and prepare students for post secondary institutions and employment. Kildonan has advanced math, physics and technology courses. Some of their popular programs include a Biomedical Internship and a Computer Information Technology program. These programs are filled with

courses like Computer Science, Multimedia, and Robotics. Advanced Placement and Honors programs are also available for students that wish to challenge themselves educationally. For students that have beginner levels of English, ESL is provided. All International students are offered extra support from onsite counselors throughout the school. Some of the other student activities offered are Vocal Jazz, Theatre, Band, Student Government, Athletics, and Outdoor Education.

Transcona Collegiate

Transcona Collegiate is a high school located in Transcona, a suburb of Winnipeg, Manitoba. Transcona Collegiate offers a full academic program for grades 9 through 12. Transcona Collegiate was opened in 1961, and has since had many major renovations and upgrades. Transcona Collegiate houses approximately 700 students and 60 staff members. Transcona Collegiate has an established and successful Performing Arts program. This includes Concert Band, Jazz Band, Chorale groups, Dance, Drama, and Theatre Production. Students have the opportunity to graduate with a Performing Arts Diploma. Transcona Collegiate is also known for its successful athletics program providing an opportunity to participate in such sports as basketball, badminton, track and field, hockey, volleyball, soccer, golf, and many others. Many other groups and activities are offered. International students are able to take part in the ESL program if they so wish. They are also provided with additional support offered exclusively to the International students.

Miles Macdonell Collegiate

Miles Macdonell Collegiate is another high school in the River East Transcona School District. With about 1300 students attending grades 10 through 12, it is one of the largest high schools in the District. It is one of the five schools in Manitoba that participate in the International Baccalaureate Program. The school offers classes in French Immersion geared towards university attendance in either official language. Miles Macdonell also offers several vocational tracks of study, including Cosmetology (hairstyling and nail care), Health and Child Care (which leads to Health Care Aide certification on graduation), and Business and Computer Technology. In addition, the school boasts a State-of-the-art Music Recording Studio. Students are also able to complete a dual diploma, earning both an academic high school diploma and technical/vocational certification.

Murdoch MacKay Collegiate

Murdoch MacKay Collegiate has a student population of approximately 900 students attending grade 9 through 12. This school offers a rigorous college preparatory curriculum, including three tracks (basic, college preparatory, and Honors/AP) for all core academic courses. The school offers vocational diplomas in Power Mechanics, Aerospace, Building Construction and Fashion Technology. In addition, the school offers a variety of elective courses from which to choose, allowing students much control in determining their course of study above and beyond the school's graduation requirements. Industrial Arts courses in Graphic Arts, Photography, Multimedia, Electronics and Woods are also offered as optional courses. Upon completion of 4 related areas students earn a mini-diploma that indicates proficiency in that area. Students have a variety of extracurricular options available in the arts such as Drama Performances, Speech Club, Art Club, and Band Performances. Murdoch MacKay also offers a variety of student groups and humanitarian clubs that students can join such as Youth and Philanthropy club, natural helpers, science club, and student action. ESL class and additional support are available to all International Students.
