Lisbon: one of the world's great historical cities. Lisbon has enough sights and facilities in and around the capital to make it your favorite tourist destination. It is the only European capital located so close to sandy beaches, enabling visitors to combine culture with fun by the sea.

Sintra, Cabo da Roca, Cascais and Estoril:

these towns were already famous in the 8th century. This is a beautiful village set at the foot of the Sintra Mountains and Natural Park. Visit the 14th century Palace that houses one of the best tiles collection of the Iberian Peninsula and walk on well-known seaside resort beaches.

Arrábida including Wine Tasting: a natural park overlooking the Atlantic Ocean. We will stop in Setubal – nice old section with lots of small shops and Christ King monument from where you can enjoy an overwhelming view of Lisbon.
